MIND YOUR MOUTH PROGRAMME!

It's sport and mouthguard season again and Cairns Precision Dental Group are taking part in a "Mind Your Mouth" programme.

We have been appointed by several local schools recently as the dentist of choice for the production of custom made, professionally fitted mouthguard to correctly protect our children's teeth and at a reduced rate. We were only too happy to help and take part in their request and we would like to extend this opportunity to other local schools so that everyone can take advantage of this offer.

Australian research has shown that sports injuries account for about one-third of all traumatic injuries to teeth. Failure to wear a custom-made mouthguard can double the risk of damage to teeth from sporting injuries.

Over-the-counter mouthguards available through pharmacies are generally ill-fitting and can restrict normal speech and breathing. The best protection is obtained by a custom-fitted mouthguard available through a dentist. These mouthguards are accurately moulded to a person's teeth and are more comfortable and secure to wear. Investing in a custom mouthguard costs less than a pair of sporting shoes. This is a small price to pay to avoid the expense and heartache of repairing damaged teeth and gums.

Our mouthguards at Cairns Precision Dental Group are made out of shock absorbing material and come in a LARGE range of funky colours. At Cairns Precision dental Group we stand by the adage of "Prevention is better than cure" so we encourage the use of a mouthguard with all contact sports.

10% DISCOUNT ON CUSTOM MADE MOUTHGUARD

We are offering students from local schools and sports enthusiasts 10% discount on all custom mouthguards made with presentation of this voucher at commencement of treatment.

Students or sports enthusiasts who participate in any contact sports such as the following are eligible for the offer.

| | |
|--------------|-----------------------|
| Football | Hockey |
| Soccer | Softball |
| Martial Arts | Rugby League or Union |
| Wrestling | Baseball |

If you would like to be part of the program to stress the importance of sports mouthguards for protection, please do not hesitate to contact Barbara on 4054 2203.

Present this voucher at the commencement of treatment to receive 10% discount.
